CAREER OBJECTIVE

Motivated B.E. CSE student seeking an opportunity to build practical experience in software development and cloud computing, while contributing innovative ideas that support organizational success.

EDUCATION

Bachelor of Engineering, Computer Science and Engineering (B.E. CSE)

VSB College of Engineering Technical Campus, Coimbatore — Anna University

Expected Graduation: 2028 (Pre-Final Year) CGPA: 8.71

TECHNICAL SKILLS

Languages & Concepts: Java, HTML, CSS, JavaScript

Cloud & Databases: AWS (EC2, S3, IAM, Auto Scaling), MySQL, Oracle SQL

Areas of Interest: Software Development, Cloud Computing, Data Analytics

Languages Known: English (Professional), Tamil (Native)

Soft Skills: Teamwork, Problem Solving

PROJECTS

AI-Powered CrowdSource — Civic Issue Reporting & Resolution

- Built an AI-powered platform to classify and prioritize civic complaints, enabling citizens to report issues and authorities to track and resolve them efficiently.

GasWise AI — Smart LPG Consumption Prediction & Refill Recommendation

- Developed an AI-powered system using machine learning to predict LPG consumption, estimate cylinder depletion dates, and generate smart refill recommendations.

CERTIFICATIONS & INTERNSHIPS

- NPTEL — Data Structures and Algorithms using Java (2025): 12-week course by IIT Kharagpur covering DS&A and algorithmic problem-solving in Java.
- AWS Cloud Computing Internship — CodeMy (2025): Hands-on with core AWS services including EC2, S3, IAM, Auto Scaling, and cloud deployment.
- Data Analytics Internship — Networkz Systems (2026): Industrial training with practical exposure to data analysis concepts.
- Web Development Internship (15 days): Hands-on training in HTML, CSS, and JavaScript.
- SQL Developer Certificate — E-Max Education: Database concepts, MySQL queries, and Oracle SQL; scored 90% (A+ Grade).
